

FARM NEIGHBORS HELP SICK MAN

Our Birthday

Our Nation celebrates its 172nd birthday this Fourth of July, 1948.

Nearly one and three-quarters of a century ago a little band of courageous forefathers dared to declare our inalienable rights to life, liberty and the pursuit of happiness. We of today are heirs to that declaration.

Let us never forget that fact. Let us never forget the price that has been paid for the liberty and privileges we inherit.

On this, our Nation's birthday, let us especially remember to be grateful. Let us re-dedicate ourselves to the cause of freedom we enjoy. With Lincoln, let us "here highly resolve . . . that government of the people, by the people, and for the people, shall not perish from the earth."

N. Lenox Piano Recital Plays to Capacity House

The piano pupils of Hazel Gibson Elkedahl played their annual recital to a capacity audience in the New Lenox Methodist church Sunday, June 6. Appearing in recital for the first time were Donald Hunt, Shelby Brown, Ronald Steinberg, and Barbara Schaefer. Guest pianists from Chicago were Judith Jones, 11 years old, and Carol Halverson, 15 years.

The church was beautifully decorated with palms and flowers. The girls were dressed in lovely spring formal.

The program was climaxed with the honor procession, made up of students receiving awards. Patricia Boynton played Elgar's Pomp and Circumstance while the procession was led by diminutive Karen Braun and Carol Ruthenbeck, both of whom carried the prizes. Gold pins were awarded to Edward Donaldson, Barbara Hauck, John Huttenhoff, and Robert Johnson. The latter was from Tinley Park. Pendants were awarded Diane Batson, Stanley Bruns, and Sheldon Hauck. A bust of Liszt was received by Mark Batson.

The annual progress pin was awarded to Cary Robinson and the honorable mention pin to Virginia Donaldson. The ten highest students for the year were Cary Robinson, Virginia Donaldson, Diane Batson, Patricia Boynton, Stanley Bruns, Barbara Hauck, Sheldon Hauck, Karen Brockman, Barbara Boynton and Barbara Schaefer.

The program was as follows: From a Wigwam—Thompson, by Donald Hunt; Waltz of Spring—Thomas, by Barbara Hauck; Periwinkles—Lake, by Shelby Brown; Duets, Sun of My Soul, and Faith of Our Fathers—Arr. Richter, John and Barbara Boynton; Indian Medicine Man—Richter, Ronald Steinberg; The Joy Ride—Light, John Boynton; duet, the Little Lead Soldier—Ketterer, by Barbara and Sheldon Hauck; Little Havana Girl—Brown, by John Huttenhoff; A Fairy Tale—Ketterer, Diane Batson.

Trio, Valse—Ducelle, by Barbara, John and Patricia Boynton; Revelry—Richter, Gordon Elkedahl; Rondo—Lichner, Barbara Schaefer; Gypsy Camp Fires—Eckstein, Clarence Greenman; From Crinoline Days—Oberg, Barbara Boynton; Two Minuets—Mozart, Stanley Bruns; The Fountain—Bohm, Karen Brockman; Swaying Daffodils—Overlode, Judith Jones of Chicago; Menuette—Beethoven, Sheldon Hauck; Hearts Desire—Grey, Cary Robinson; Fier Elise—Beethoven, Robert Johnson; Themes from Hungarian Rhapsody No. 2—Liszt Eckstein, Mark Batson; Gipsy Rondo—Haydn, and Fantasie—Mozart, Virginia Donaldson; Narcissus—Nevin, and Melody—Dawes by Carol Halverson of Chicago.

SUBURBAN HOME BUILDING STILL SHOWS GAIN

Home building in 71 suburban communities served by the Public Service Company of Northern Illinois continued to show outstanding gains in May, 1948, compared with the same month a year ago, it was reported today by the utility.

Permits issued for new homes in the 71 suburbs during May had a total value of \$8,204,505 compared with \$5,815,662 in May, 1947, a gain of \$2,388,843, or 41%. The number of individual permits in May, 1948, also showed a substantial gain, reaching a total of 712 compared with 616 a year earlier. The May, 1948, figures for the 71 suburbs topped the City of Chicago total by nearly \$8,500,000.

The 71 suburban communities reporting were in Cook, DuPage, Kane, Lake and Will counties.

In addition to the home building total, the same 71 communities reported May, 1948, permits for commercial, industrial and other non-home structures totalling \$5,087,973, bringing the total for building of all types to \$13,292,478. In May, 1947, the all-building figure was \$12,914,654.

In the home building field, Westchester lead the list for May, 1948, with 53 permits totalling \$536,700. Skokie

Betty Donisch Weds Walter H. Reeser In Joliet, June 26

At a lovely wedding Saturday evening at six o'clock in the First Lutheran church at Joliet, Miss Betty Jane Donisch, daughter of Mr. and Mrs. Elmer Donisch, 214 Midland Avenue, Joliet, became the bride of Walter H. Reeser, son of Mr. and Mrs. Charles Reeser, Gum street, New Lenox. Rev. John A. Goeken officiated at the double ring candlelight ceremony, before a beautifully decorated altar.

Joyce Donisch, cousin of the bride, lighted the candles and wore a gown of yellow silk marquisette with a wrist corsage of yellow carnations.

Mrs. Alberta Larson, organist who played the processional and recessional also accompanied Mrs. Lucille White when she sang, "I Love You Truly," and "Because."

The bride was given in marriage by her father and was lovely in a princess style gown of slipper satin, fashioned with an illusion neckline, draped over the front, and a bustle back which was trimmed with chantilly lace. Her long veil of illusion was held by a tiara of pearls. She carried a bouquet of white roses centered with an orchid.

Mrs. Mary Huckstep, matron of honor and Miss Irene Starlin, bridesmaid were attractive in peach silk and apple-green marquisette gowns. They carried arm bouquets of yellow carnations and wore headpieces of braided satin, with streamers falling from a matching bow in the back. They were matching fingerless elbow-length gloves. Meeting them half way down the aisle were ushers, George Novak and Paul Alexander who escorted them to the altar.

Donald Slevert and William Bruns attended the groom.

The bride's mother wore a light gray dress with a matching off-the-face hat, and the groom's mother wore a rose colored mesh dress and a black picture hat. Both mothers wore a corsage of white and pink carnations.

When the couple left on a wedding trip to northern Wisconsin, the new Mrs. Reeser was wearing a grey two piece crepe dress with a white flannel topper and an orchid corsage. Upon their return in two weeks they will reside with the groom's parents. The bride, who attended Joliet township high school, is employed at the Gerlach Barklow company in Joliet, and Mrs. Reeser who graduated from Joliet township high school, and spent three years overseas with the U. S. Navy during the war, is employed at the International Harvester company in Chicago.

SAFETY COUNCIL URGES A SAFE AND SANE FOURTH

"Let's celebrate the Fourth of July holiday as befitting a careful, sane, thoughtful people and avert the huge and needless holiday toll of Memorial Day," urges the Greater Chicago Safety Council.

Take it easy and help prevent an avalanche of holiday casualties that wastes manpower, material and time.

July is the month when off-the-job accidents almost double the industrial totals, and the Independence Day celebration is one of the contributing factors.

Don't use fireworks and don't let the children have them, advised the Greater Chicago Safety Council. Despite rules governing their sale there may be some persons who will be able to obtain them.

Double Housewarming By Frankfort-Mokena Home Bureau

A double housewarming in the form of a progressive party was held Sunday evening, June 20, in the homes of Mr. and Mrs. Harold Schult and Mr. and Mrs. Robert Hohenstein by the Frankfort - Mokena Home Bureau.

Pinochle was played with prizes awarded to Wilbur Lauffer, Fred Peinenbrink, Mrs. Louis Lauffer and Mrs. Elmer Bormet. Bunco was played by the children with Marilyn Hohenstein, Doris Schult, Lorna Miller and Loren Weiman winning honors.

Lovely gifts were presented the couples.

Games were held in the Schult home and refreshments were served in the Hohenstein home.

The Ship-n-Snack 4H club of Green Garden will hold a bakery sale at the Frankfort post office Saturday, July 3 at 2:30 o'clock.

was second with 49 permits but its dollar value was \$679,900, more than \$143,000 greater than the Westchester total. Highland Park, with only 26 permits but with a value of \$645,400, also topped the Westchester total. Elmwood Park ranked third with 35 permits and fourth in dollar value with a total of \$344,300.

GOOD-NEIGHBOR TRACTORS COME TO HELP A NEIGHBOR IN NEED

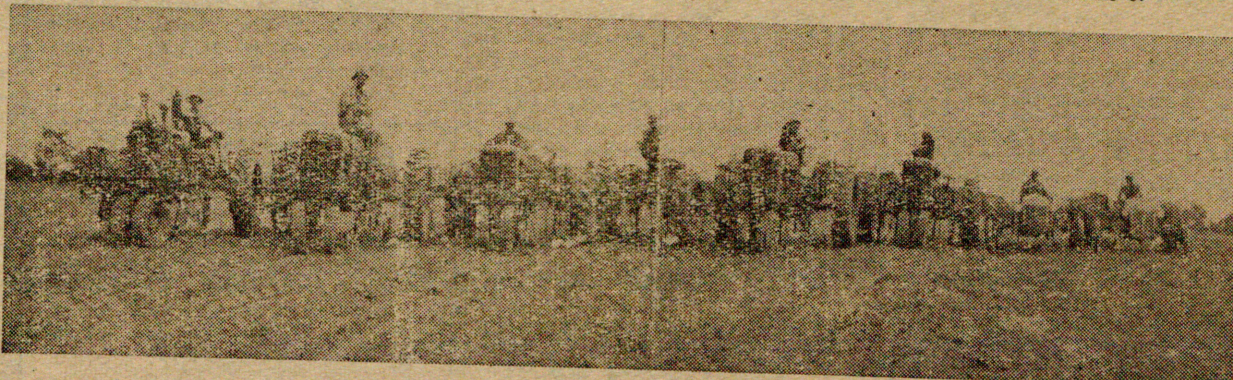

We take special pleasure in showing this picture of the eight neighbors of Edmund Knowles who turned out with their tractors and cultivators to plow his corn when sudden illness kept Mr. Knowles from getting into his fields recently.

Here is visual evidence of good will in action, and an example of those fine neighborly traits of community life which find their best expression on the farm and in the small town.

Mr. Knowles, who for the past five years has rented the 500 acre Robert Regan farm on LaPorte Road west of Mokena, was confined to his home with a sudden back illness. His neighbors heard of it, and on the morning of June 17, Roy Erdman, William Roberts, Michael Roberts, Roy H. Newton, Blaine Saxon, Gene Saxon, Darrell Manhart and his son Charles came rolling in on their battery of eight tractor-cultivators.

Mr. Knowles' son, Edmund Jr., joined them, and all together they cultivated sixty acres of corn in three hours and 40 minutes. It is estimated it would have taken one man alone three days to do that work.

This good-neighbor deed of helpfulness was certainly appreciated by the Knowles family which, besides Mr. Knowles, includes his wife, a son Edmund Jr., and three daughters, Mary-also, 16, Pat 10, and Gale 5.

Left to right: Roy Newton, and grandson Jack Newton, Blaine Saxon; Roy Erdman; Darrell Manhart, and son Charles Manhart, Edmund Knowles Jr.; Mike Roberts; William Roberts and Gene Saxon—and Perkies Roberts, the dog, not easily distinguishable on Bill Roberts tractor.

MOKENA GIRL SCOUTS DAY CAMP IN VAN HORN WOODS, JUNE 22-25

With Mrs. George H. Bills as director, Mrs. Thomas Powers as assistant director, and business manager, Mrs. Hugo Neithammer as registered nurse, and Mrs. T. Arthur Shoop as nature specialist, the Mokena Girl Scouts have just completed a most enjoyable four days of Day Camp experience and instruction.

Those participating were: Unit I, Little Maple Wings (Brownies), unit leader, Mrs. Hayold Fossum, assistant leaders, Mrs. George Phelps, Mrs. Winton Hamilton, Unit II, Star Unit (younger intermediates) leader, Mrs. Milton Geuther, assistant leaders, Mrs. George Reid, Mrs. Joseph Doyle, Unit III, Hawthorn Unit (older intermediates) leaders, Mrs. Gerrit Swart, Mrs. T. A. Shoop, Unit IV, Sleepy Hollow (Seniors) leader, Mrs. Wendell Hamilton.

Majority of leaders have taken the Girl Scout Leadership Training as well as the Troop Camping, Day Camp Pre-Camp Training courses. Mrs. Bills holds a B. A. degree from the University of Pittsburgh and has a record of 12 years in Girl Scouting. She has been a director of Day Camps for 3 years, and assistant director or program director of established camps for 12 years as well as a member of the Girl Scout council in Johnstown, Penn., for two years.

Mrs. Powers, the assistant director is a graduate of Purdue university with a B. S. degree and has been in scouting for six years with five years as a leader of intermediate troops and one year as Brownie leader in Mokena. Both Mrs. Bills and Mrs. Powers completed the Day Camp Director's course given in May by the Will County Girl Scout Council.

The Day Camp program was well

rounded with a hike to Van Horn Woods through the woods, organization of units, making situpons, and the naming of the camp as Camp Maple Leaf on the first day.

June 23rd the girls learned axmanship, use of jackknife with safety rules, fire building and cooked one pot meal over open fire with the afternoon devoted to nature snoop, singing and games. Thursday, the girls learned tin can cookery and fried hamburgers on their individual camp stoves as well as learned lashing and knot tying. The last day of camp the girls again cooked a one pot meal except for the senior girls who gain cooked on the tin can stoves.

In the afternoon there was a big camp get together with all units joining in singing and dramatic skits, as well as a ceremony of presentation of badges, with Beatrice Benson, Jean Boleman, Jean Cooper, Florence Burgeson, Delores, Doris Cummons, Phyllis Gaddis, Maryann Rinke, Sherrill Swart, Rita Werner, Barbara Geuther, Barbara Martie, Patricia Reid, Marcia Gaddis, Martha Jo Doyle and LaVern Sands receiving their second class badges.

Camp was inspected by Mrs. Charles Vaughan representing the Will County Girl Council and an A1 rating earned by the Mokena Camp. The very highest safety standards were followed with Mrs. Hugo Neithammer, a registered nurse on duty at all times. Mokena can be proud of this first successful Day Camp.

There will be swimming classes sponsored by Will County Girl Scout council July 6 to 16 from 10 a. m. to 11 a. m. All girls interested please register with Mrs. George H. Bills.

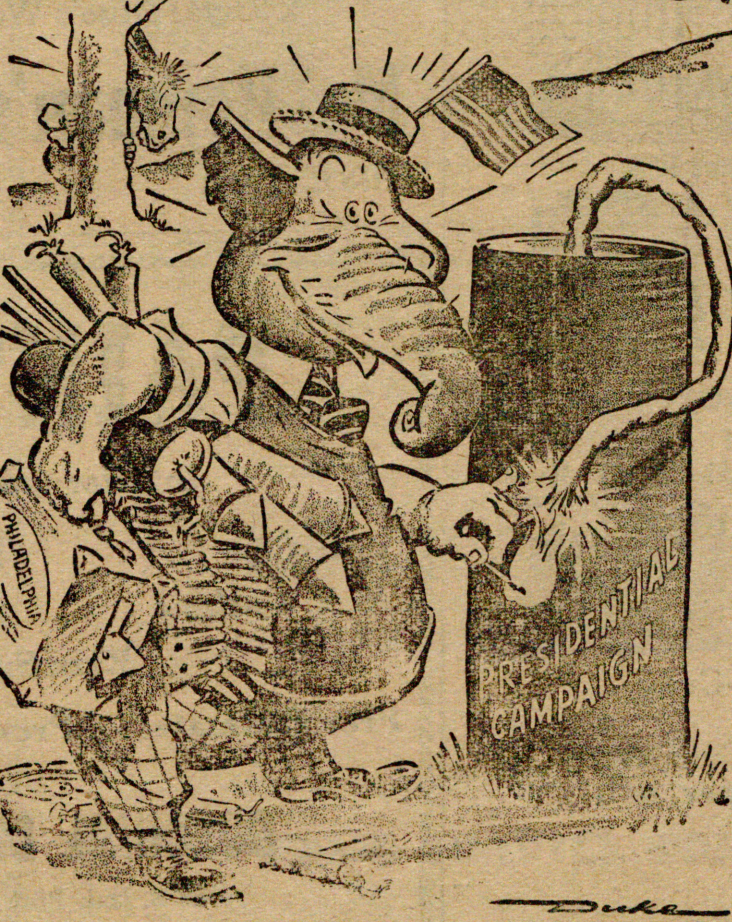

BALL GAME FRIDAY NIGHT

There will be a ball game at Robinson Field, Mokena, Friday night July 2, between Uhrlick's Tavern of Joliet and Robinson's Tavern, Mokena. Game called at 9:00 p. m.

STARTING THE FIREWORKS!

New Pastors Appointed By Rock River Conference

The Rock River conference, held in Chicago last week ending Sunday, brought changes to several Methodist churches in this area.

Tinley Park, Fred D. Shandorf, Jr. replaces the present pastor J. Frank Anderson, retiring and moving to the Mrs. Jessie Sippel home in Mokena; Mokena is grouped with Manhattan this year with a new pastor R. T. Prater. Rev. Lilley the present Mokena pastor, is giving his whole time to the Trinity church in Joliet.

Rev. Lloyd Coleman remains at Frankfort-Green Garden as does also Rev. H. Rompel in Orland Park; and Rev. Ralph Miller in New Lenox.

Missionaries From India At St. John's Sunday

It will be a day of missionary emphasis in St. John's church, Mokena on next Sunday. Rev. and Mrs. Armin Meyer, missionaries from India on furlough, will both speak at the 10:30 service. They are en route to New York where they will take passage on a ship for India on July 13. They will be the guests at the home of Rev. and Mrs. W. Riemann over the weekend. Rev. Meyer is a brother of Mrs. Riemann.

REV. RALPH MILLER SPEAKER AT MARLEY PICNIC

Rev. Ralph Miller of the New Lenox Methodist church, will be the speaker on the program at 1:30 p. m. at the Marley picnic, July 5th in Arthur Lauffer's Grove, 1 1/2 miles west of Wolf Road on 167th street. Rev. Miller is very well known in this locality. There will be the presentation of the colors by the Boy Scouts. Special music will be featured on the program along with group singing of favorite hymns and patriotic songs.

The ball game will begin at 2:30. Admission is free and there is entertainment for all, including bingo and games of skill. Picnic lunches will be on sale, with pop and ice cream.

Everyone is welcome to come enjoy the Fourth on the Fifth at Marley!

THREE TEACHERS RE-EMPLOYED EACH TAKES EXTRA TRAINING

Mrs. Carrie Johns, teacher of Dist. 136 school of Orland, and Mrs. Marie Mueller of Dist. 156A school, Frankfort, have this June each completed their second semester at Testalozzi College in Chicago. Mrs. Cora Roads, teacher of Dist. 158, Frankfort, completed her first semester at the same teacher's college. All three have been re-employed to carry on their good work in their respective schools for the coming year.

GEORGE BEUTEL'S BROWN SWISS MAKE RECORD

Riskhaven October Lassie 122172, a registered Brown Swiss cow, three years, eight months, owned by George Beutel, Mokena, Ill., has recently completed a 305 day lactation record on Herd test of 9935.3 pounds of milk and 431.48 pounds of fat.

Another cow, owned by Mr. Beutel, Woodmore May Belle 132690, registered Brown Swiss, 4 years, two months, made a record of 10088.2 lbs. milk and 421.62 pounds of fat on three times a day milking, according to Fred S. Idte, Secretary of the Brown Swiss Cattle Breeders' association, Beloit, Wis.

Grandmother of Mokena Woman to Observe 100th Birthday

To have lived 100 years must really be something. What that person can recall when memory is good, as is the case of Mrs. Mary Grubb, grandmother of Mrs. Fred Rauch of Mokena.

Mrs. Grubb lives with a daughter, Mrs. Robert Millinger in Evanston and her family will hold open house in honor of her 100th birthday Sunday July 11, from 2 to 5 o'clock. Assisting in the receiving line will be three other daughters, Mrs. William Ohr, Austin and Mrs. George Smith the latter coming from Pomona, Calif. Another daughter Mrs. Richard Bull, may be prevented by illness from coming from her home in Calif.

Her family also includes eleven grand children and 23 great grandchildren.

Mrs. Grubb was born in Bretford, England July 7, 1848 and remembers well a sunny morning in 1878 when she was wheeling one of her babies past Buckingham palace and Queen Victoria came out in her carriage, had the carriage stopped and paused in an interesting conversation with Mrs. Grubb, complimenting her on her "fine looking" baby. The baby was the present Mrs. Millinger.

She and her husband, Thomas Grubb were married in London and came to this country in 1883 living in Chicago until moving to Evanston to live with her daughter. Mr. Grubb and seven other children passed away many years ago. She is the oldest member of St. Matthews church which she attends when able, and is keenly interested in church affairs and in national and world events. Three years ago she fractured her hip, but has completely recovered from it, but because her eyesight is no longer good, she listens to radio programs, especially Tom Breneman's from whom she received an orchid when she was 98 and he was in Chicago.

On July 4th, the daughters and families will hold a reunion in the home of Mrs. William Ohr in Austin. The Rauch family in Mokena are planning to attend.

BELL TELEPHONE NEW CABLES TO HELP SERVICE

Many have been wondering about those large spools of wire which are lying along Wolf road between Lincoln highway and Mokena. It has been assumed that it might be telephone cable for underground, as there are also stakes along Wolf road.

And that seems to be exactly right, according to Mr. R. F. McQueen, Manager of the Illinois Bell Telephone company at Joliet. Mr. McQueen stated Tuesday in a conversation with this paper's representative, that the Telephone company is laying new underground cable, the first leg of which is coming from Joliet, down Washington street, across country and connecting with the Lincoln highway at the Washash railroad at New Lenox.

From there the underground cable will continue east along route 30, as far as Frankfort, with spurs going from Wolf road into Mokena and from route 30 into Frankfort. A spur also goes into New Lenox. This will prevent isolation of these communities in case of a sleet storm as was the case last year. This work is planned to be completed by October this year.

Next year the underground cable will be extended from Frankfort route 30 into Chicago Heights. With this new cable, more toll lines will be available to the toll center in Joliet, which will do away with waiting for lines as is the case now. It will also give facilities to residents in these villages who are now waiting to get a telephone.

ANNOUNCE COMING MARRIAGE

Mr. and Mrs. T. Fred Jahneke, 1104 Vine Street, Joliet, are announcing the approaching marriage of their daughter Matilda Keto, to Mr. Herman Bormet of Mokena.

They are to be married July 11 at a 3 o'clock ceremony in St. Peter's Evangelical Lutheran church of Joliet with the Rev. Erdmann Frenk officiating. No invitations have been issued and all relatives and friends are invited to attend the ceremony and reception to be held in St. Mary's hall, Mokena, at 5:30 o'clock.

HARWOOD POST PICNIC SUNDAY AT MCKINLEY WOODS

The general public is invited to attend the annual Fourth of July picnic of Harwood Post, American Legion, next Sunday at McKinley woods, 14 miles southwest of Joliet near Channahon.

A bevy of entertainment has been arranged, highlighted by the twice National championship Harwood Post band, which will present a concert in the afternoon.

Families attending the picnic are urged to bring basket lunches, but there will be plenty of food and drink available on the grounds for those desiring them.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

By LOUIE D. NEWTON, D.D.

SCRIPTURE: I Kings 22:1-40.
DEVOTIONAL READING: Psalms 138:1-4.

Micaiah, A Prophet of Israel

Lesson for July 4, 1948

Dr. Newton

WE BEGIN a new series of studies this quarter—a series of lessons based on less known Bible characters that have much to offer us. Such a character is found in Micaiah, a about whom we learn in I Kings 22:1-40.

Ahab, king of Israel, planned an expedition to recover the city of Ramoth in Gilead, which the Syrians had taken. He invited Jehoshaphat, king of Judah, to join him. Ahab relied upon his court prophets to predict victory; but Micaiah, the prophet of God, whom Ahab had shut up in prison, when he was summoned, at the insistence of Jehoshaphat, told Ahab the truth—the unpleasant truth—which subsequent events verified.

BE AWARE ENOUGH TO TELL THE TRUTH

THE first blessing in the study of this obscure Bible character, Micaiah, is to discover a man who was brave enough to tell the truth when he knew it was unpopular.

It is always the best policy to tell the truth, though there be many in today's world who deny this principle. It is not enough to say that we will tell the truth because it pays. That is true, but it is a by-product of doing what is right. One must tell the truth because it is right to tell the truth. Men swear with their hand upon the Holy Bible that what they testify is the truth and nothing but the truth. But, alas, such men often tell anything but the truth. They have been carefully coached to evade the truth.

Micaiah told the truth, because he was speaking for God. It hurt him, but it must needs be the truth which he spoke to Ahab.

TRUTH DISREGARDED

AHAB scorned the words of Micaiah, and ordered him thrown back to prison. But scarcely had the prophet of God been thrust again into prison, until Ahab was bleeding to death in his chariot.

Men not only take their own lives in their hands when they disregard the truth, but, like stubborn Ahab, they bring grief to countless others. Had Ahab heeded the words of truth which Micaiah proclaimed, Ahab might have lived. Indeed, had Ahab heeded the words of truth, he might have recovered Ramoth, and more beside.

Truth may appear forever on the scaffold, wrong forever on the throne, but time always proves a hard taskmaster to the man who regards wrong instead of truth.

THE SOURCE OF TRUTH

GOD is the source of truth—all truth. If we miss this, we miss the lesson of the lesson. Note the words of the golden text, "As the Lord liveth, what the Lord saith unto me, that will I speak," said Micaiah.

Let us remember that it was God speaking through his prophet. Ahab could not have doubted that Micaiah was speaking what God had told him to speak. But Ahab did not want to hear the truth. He wanted to hear pleasing words that would encourage him in his evil plan.

God speaks the first and last word on every subject, because God is truth. "I am the truth," said Jesus. And he went on to say, "Ye shall know the truth, and the truth shall make you free."

THE PENALTY OF DISOBEYING THE TRUTH

HORRIBLE, indeed, was the penalty which Ahab suffered for disregarding the truth. The way of the transgressor is hard—always hard. The wages of sin is death. Be sure your sins will find you out.

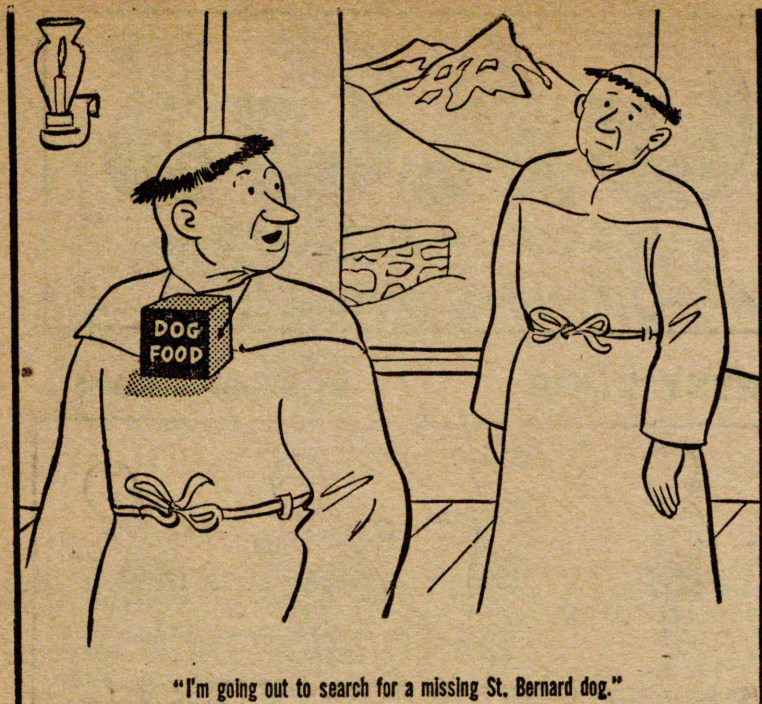

Take down your cherished books of history. What do they say to you? That the straight line of truth is the only safe way in which to walk. It is applicable for the individual, for the family, for the community, for the nation, for civilization.

Thus every great prayer must be "Thy will be done." God's will is the way of truth. Micaiah declared it. Every true prophet must declare it. It is the only way to peace and joy in this world.

On Believing

All over the world now there is a reaction from the superficial talk that it does not make much difference what a man believes. We have learned our lesson. What a man believes makes a world of difference not only in what he does, but what happens to him.

Remember last August 6th?

Install *Night Cooling* now!

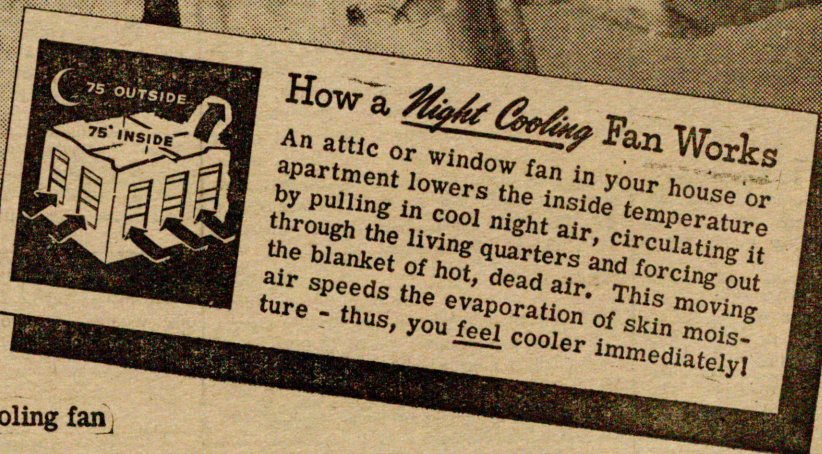

Sure, it was hot last summer... and it's going to be hot again this year. More than two months of over 85° temperatures are in store for this area... and you! You can plan now to beat the heat - install a night cooling fan in your house or apartment.

Even the hottest days are bearable when you've had a good night's sleep. In a night cooled home, the hot, stifling air that keeps you tossing for hours is drawn out of the rooms... and replaced by cool, refreshing night air from outside. This gently moving air makes you feel cooler... lets

you sleep in comfort... and lowers the temperature of the rooms.

Don't wait for the hot weather to get here. Find out about this new way to summer sleeping comfort.

How a *Night Cooling* Fan Works

An attic or window fan in your house or apartment lowers the inside temperature by pulling in cool night air, circulating it through the living quarters and forcing out the blanket of hot, dead air. This moving air speeds the evaporation of skin moisture - thus, you feel cooler immediately!

Woman's World

Proper Technique Will Make Washdays Cheerful and Cool

By Ertta Haley

A WOMAN said to me recently, "There's nothing to washing clothes. People have done it for thousands of years and surely they know how."

That may be true, but many people have never seen a washing done properly and, as it is with many simple tasks, there's always a right way.

Many women, for example, do not sort their clothes. In fact, they've never heard of such nonsense! Don't they all go through the machine? Yes, they do, but if they come out the lighter or darker shade of gray, well then, they simply didn't let the machine run long enough or they were short of soap!

One of the common faults in using a machine for washing is overloading. You must get the proper loads in to have best results. You can simplify the laundering problem a lot just by sorting the clothes and running them through in the following order.

The least soiled things like bed linens are run through first. Naturally we assume that you change weekly and linen is not allowed to get very dirty.

If table linens are less soiled run these through first, then bed linens. Shirts and light colored things with perhaps a few towels make up the third load.

Moderately soiled cottons and linens, towels and slightly soiled

Organize laundering by sorting . . .

wearing apparel follow the light colored load.

Dark colored clothing and rather dirty clothes go into the fifth load. Heavy articles such as rugs or mats go in last. Do not run too many at one time.

Treat All Stains Before Laundering

Clothing with stains or clothing which needs to be bleached needs attention before washing. Check over the stain situation and remove these. Rinse thoroughly before washing.

When you use a bleach, make certain this is rinsed thoroughly before you put it in to wash. Also be certain not to get the bleach on other pieces while you work.

Use Hand Laundry For Some Clothing

Certain articles of clothing and household articles are best done by hand since they require such gentle handling. In this class are included silks, curtains, laces, fragile lingerie and accessories such as fine

And proper hanging.

gloves, hose and pieces of neckwear.

These are best done weekly on a day other than the regular laundry if there are a lot of them. Many of these, like neckwear, hose and gloves, can be given a daily sud sing in the wash bowl.

The recipe for doing them is somewhat similar: Gentle suds with lukewarm water with gentle squeezing and handling and absence of rubbing or wringing.

Use clear, cooling water for rinsing out the last piece of soap.

Stretch gently into shape. This saves ironing on gloves, saves hose and makes neckwear easier to press.

When washing fine things take off rings and jewelry and file broken nails so you won't injure the fabric

Wash Frequently Enough To Keep Clothes Best

Materials may have a high wearability rating, but you should wash everything before it is so bogged down with dirt that it's impossible to get clean.

Washing Turkish towels is extremely important, because they wear longer, stay brighter and fresher when done frequently. Save

Demure Negligee

Crisp printed organdie for a demure summer negligee is exquisitely styled by Tula for relaxing hours during warm weather. Cotton lace edges the deep collar, the puffed sleeves. Gathers on the bodice and around the skirt give it the little girl look.

time by not ironing or using a mangle. They're much fluffier if just dried, shaken and folded. Mangling makes them flat by flattening the loops and making them less absorbent.

Towels usually shrink after the first few launderings. Shrinkage pulls the threads closer together and the towels will appear heavier after washing than when purchased. Maximum absorbency on Turkish towels is reached after four or five washings.

When you launder bed linens, never add chemical bleaches while the clothes are in the tub. Soak and apply a bleach when essential in a separate bucket or pan. Add soap when you first fill the tub, not when the clothes are already in it.

Some people launder clothes so carefully that they make them last years. What about your sheets, for example?

Give Good Care For Longer Wear

Sheets never should be washed until they are in shreds. They won't need intense washing if you change weekly. Give them a blue rinse, if they're white sheets, in the last water. Dry white sheets in the sun, straight, rather than doubled on the line if possible. This smooths out wrinkles and you can fold and iron them easily.

If you live where it's clean, dry sheets the old-fashioned way, spreading them on the lawn to give them an intense whiteness and sweet fragrance.

Keep colored sheets away from direct sunlight. Hang them in the shade of a tree when possible.

The trick to ironing sheets properly is to keep the hems straight and even. On pillow cases, work away from the closed corners.

Be Smart!

Summer is the ideal time for novelties in accessories, those whimsical notes that give you and your casual summer costumes such a grand pickup. One of the prettiest of these ideas is the matching of hat and bag in rough straws, that lovely burnt color which is a dream in itself. This gives a magnificent background for brilliant plaid ribbon, polka dots, kelly green and other exciting colors.

Catholic Pilgrimage To Famous Canadian Shrine

The appointment of the spiritual Director for the second annual Chicago Archdiocesan Pilgrimage to the Shrine of Ste. Anne de Beatepre in Canada, was announced last night. He is Rev. Romeo R. Blanchette, S.T.L., J.C.L., who is assigned to the Matrimonial Curia of the Chancery. Father Blanchette will lead the group making the mission to North America's most famous shrine, from July 24 through August 1.

His Eminence Samuel Cardinal Stritch, Archbishop of Chicago has approved this pilgrimage for the second consecutive year. All travel arrangements are again under the supervision of American Express-Catholic Travel League, which is receiving inquiries and reservations at 178 North Michigan avenue, Chicago.

The official Chicago pilgrimage itinerary includes two visits to Ste. Anne's shrine, 21 miles from Quebec; and sightseeing at Quebec, Montreal and Toronto. Pilgrimage members will also enjoy a delightful three-day cruise of the beautiful Saguenay and St. Lawrence Rivers.

FARM BUREAU SOIL EXPERIMENT FIELD DAY, JULY 2

Farmers from Will and surrounding counties have an excellent opportunity to observe the effects on different soil in growing crops when they attend the improvement and fertilizer practices annual field meeting of the Joliet Experimental Field to be held on Friday,

July 2 at 2:00 p. m.

This field is located on the west side of U. S. R. 30 approximately three miles northwest of Joliet. It is operated by the University of Illinois, College of Agriculture and is one of several soil experiment fields in Illinois.

According to Will County Farm Bureau officials most of the farmers are extremely anxious to learn the latest experimental results concerning different types of fertilizer treatments. Over 100 Will County farmers have already started a good soil improvement program on their farms by making use of the soil testing service offered by the Farm Bureau.

...ARE YOU CAGED IN YOUR KITCHEN

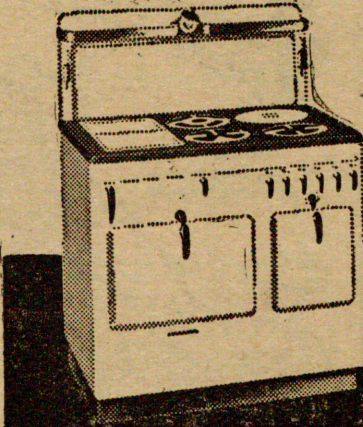

COOK WITH THE GAS TURNED OFF... IN A CHAMBERS RANGE... AND BE FREE

When you cook with the gas turned off in a Chambers Range, you can start every meal at your own convenience, burn the gas a short time only, and then turn it off completely. Food finishes cooking on retained heat, with no pot-watching required. As nothing can burn or scorch with the gas turned off, you are free to leave your house. Although the cooking will be finished in the usual length of time, food need not be removed when done. Hours later a delicious meal can be taken direct from Chambers Range to table. Investigate this miraculous cooking method that pays for itself in savings.

Janice Dudman, daughter of Mr. and Mrs. Leroy Dudman of 18106 Sayre, celebrated her fifth birthday with a party, June 19th. Those attending were Donna Beaman, Janet Claire Flutman, Albert and Kathy Sennese and their mother, Janice's grandparents, Mr. and Mrs. M. Boldt and two aunts, Miss Bernice Boldt and Miss Ruth Brockema and a friend, Miss Henrietta Boehlis of Denver, Colo.

Mr. and Mrs. M. Boldt of 18061 Sayre Avenue, Tinley Park have been entertaining many Chicago and Michigan friends the past month. The reason for this was the celebration of her father's 85th birthday and her sister, Miss Ruth Brockema preparing to return to China. Mr. Brockema makes his home with his daughter, Mrs. Boldt.

Miss Ruth Brockema left Sunday June 20th for Houston, Texas, where she will sail the 23rd for Amoy, China. She has been a missionary in China under the Reformed church of America since 1924, being there all thru the war. She has been having an extended furlough, spending her time studying, speaking, and resting.

Rufe's Ramblings
By RUFÉ PICKETT

Among the list of folks of fame in Mount Airy you will find the name of Tom Marshall, a machinist in the Rock Island roundhouse in Blue Island, Ill. With the fellers on the fire department

down there it is practically a byword. Of course we made what they speak of as a "Tom Marshall git thar" way back yonder when I used to help pull the equipment, but things were different in them days. All we had in the form of an apparatus was yards and yards of hose wound around an enormous spool which was mounted on two buggy wheels. I'll never forget the day the old tobacco factory burned down. There was ten of us ahold of the rope which was fastened onto the tongue of the hose cart and when we turned the corner off of Main Street the outfit turned completely over and we never even slowed down. Shortly after that I left and didn't get back on a visit for seventeen years. When I did get back I asked how the fire fighters were doing and they told me that they hadn't answered a call since I left that they didn't lose one or both wheels off the contraption, which of course caused them considerable delay.

Now I know some of the younger generation behind today's steering wheels won't see any point to this Rambling. If it was that easy to see

certainly the Mount Airy firemen wouldn't have pulled their hose cart upside down for seventeen long years, but just as soon as I mentioned about it to Tom Marshall he sez to me, "Write a letter to Chief Bud Brannock and tell him to turn it right side uppers again. For best results a buggy wheel must turn the same direction that the nut which holds it on is turned in tightening."

BLUE ISLAND LION CLUB PLANS BIG FOURTH

Blue Island's celebration on Monday, July 5, sponsored by the Blue Island Lions club opens with a parade at 1:30 and closes with an hour's fireworks at the high school stadium at 127th Street and Sacramento avenue. There are many additional events in between.

The parade will have many floats competing for trophies, as well as a children's division. Bands include the Glenwood School for Boys; Austin Lamons Scouts Fife and Drum Corps of 50 pieces; Lemont Municipal Band; Garretto Twins Clown Band and a comedy band from Hazelcrest.

There will be two Illinois National Guard Units and other marching units.

There is plenty of parking space in Blue Island and the parking meters will not be in operation that day.

Immediately following the parade there will be a variety of events. At Memorial Park, Highland avenue and 127th Street, Blue Island, there will be a swimming meet and water carnival and the finale in the Blue Island city tennis tournament while at the high school stadium, 127th and Sacramento Avenue, Blue Island's hard ball team, the Boosters, are matched with the well regarded Neva Billiards of Chicago at a special game.

There is plenty of room in the Blue Island parks for those who wish to bring picnic lunches.

The Lamons Boy Scouts Fife and Drum corps will do some of their drills at the high school stadium field as an opening of the free evening program which includes a mass balloon ascension of 5000 helium filled balloons. The Lions are putting up \$500 in awards for the balloons which travel the furthest.

This will be climaxed by an hour's display of fireworks. Eight clowns and a comedy band have been hired to help entertain crowds during the program in the evening.

Ever Hear A Gentle "Beep" Over Your Phone?

If you ever hear a brief, high, almost musical note on your telephone line while you are talking—a sort of gentle "beep" repeated every 15 seconds or so—you will know that the person to whom you are talking has a recording machine which is making a record of your conversation.

That announcement was made today by R. F. McQueen, manager here for the Illinois Bell Telephone Company.

The company will shortly apply to the Illinois Commerce Commission for authorization to install warning devices at the subscribers' premises wherever recording machines are known to be used on telephone conversations, according to McQueen. The warning signal is provided by the telephone company for its customers' protection in known devices. The telephone company will not manufacture the recording devices. It will install and maintain only the automatic tone warning device, for which there will be a monthly charge to the user.

The Federal Communications Commission has authorized the use of recording devices connected to a subscriber's telephone provided the telephone company is notified by the user so that the warning signal may become part of the connection. When the machine is connected, the sound goes over the line automatically every 12 to 18 seconds.

"If you don't want a record made of a conversation," McQueen said, "ask the person with whom you are talking to disconnect the recording machine."

After August 2, it will be unlawful for anyone to use a recording machine with a telephone without using the equipment which sends the "beep" signal over the line.

FREEDOM TRAIN IN JOLIET

JULY 11

All farm families in Will County will no doubt be interested in seeing the Freedom Train with its priceless cargo of 100 American documents which dramatize ties and heritage of freedom of our American way of life. It will be open to the public on Sunday, July 11th from 10:00 a. m. to 10:00 p. m.

According to Farm Bureau officials a good many programs will be held in Joliet during the entire preceding week. The week's activities will be climaxed by a gigantic parade on July 10. This train has already been viewed by hundreds of thousands of people in its visits already to over 200 American cities.

Additional Entrance Test Announced by Joliet Nursing School

With 23 applicants already accepted for the August class as a result of pre-entrance tests held the past month, Silver Cross school of nursing at Joliet has announced that additional applicants will be given an opportunity to take tests during the next two weeks. High school graduates who are interested in considering a nursing career may obtain application blanks and full information by addressing an inquiry to Miss Adeline M. Jorstad, Director of Nursing, Silver Cross hospital Joliet. Miss Jorstad has announced also that applicants who receive a high rating in tests and who may need financial assistance to meet the moderate charges for tuition, textbooks, and uniforms will be considered for scholarships or loans. These have been provided by groups and individuals, who feel that any well-

Frankfort 4-H Joins Will County Tour of U. of Ill.

Joyce and Doris Bauch and Eileen Hedge of the Happy Hustlers 4H club of Frankfort joined the 4H clubs of Will county and went by Trailway bus on a tour to the University of Illinois, June 17. Eighteen counties of Illinois were represented.

They visited the university farms, toured the campus, and went through the library.

Clay county had the largest representation. Altogether there were 1407 4H club members who availed themselves of this opportunity. The Will county group returned at 6:30 p. m. to Joliet.

qualified girl who wants to enter this essential profession should not be deterred by financial circumstances. Board, room and laundry of uniforms are provided to all students without charge.

The new \$900,000 addition to Silver Cross hospital, on which construction is now progressing, will greatly increase the bed capacity and create additional positions for staff nurses, as well as improved facilities for the use of nurses and patients. For this reason, every effort is being made to enroll a large freshman class to enter the school of nursing in August.

On Sunday June 27, Midlothian came to Tinley and beat the Sportsmen by a score of 15 to 2. Midlothian really deserved to take this one because they out hit and out played Tinley through out the game.

Midlothians pitcher Button stopped Tinley cold with 5 scattered hits and had Tinley's hitters handcuffed completely.

Rich Marti started for Tinley but didn't last long. The first man up singled then Rich walked the next three men to face him. Firchau relieved him at this point and made Soyk hit into a fielder's choice. Herman rolled over second to first. Mayer then singled Tomaszek and Soyk home. Mango was safe when Kuech let his roller go thru after which Button struck out.

In Midlothian's 2nd inning 3 hits combined with an error was good for three more runs. In their 3rd inning Midlothian collected 5 hits and a walk, good for 3 more runs. Tinley's Firchau then pitched good ball up until the eighth inning when Midlothian broke out with 3 hits and 2 walks good for three more runs.

Rathburn and Tomaszek each got 3 hits for Midlothian while Minas, F. Krie and Soyk each had 2 hits.

Tinley's offense was furnished by Cummins with 2 for 4, Anderson with 2 for 4 and Anfield with 1 for 3 times at bat.

Tinley's defense was every bit as weak as their offense having committed 6 errors in the course of the game.

On July 5th Tinley will journey to Grandview to play a game originally scheduled for the evening of July 7. Game time 2:30 p. m.

Busch Motor Sales Defeats OakLawn 5 to 2.

In an interesting and well played ball game the Busch Motor Sales of Orland scored a 5 to 2 victory over the Oak Lawn Bees Sunday June 27, for the first three innings neither team scored altho the Motor Boys threatened twice. In the fourth ining Busch's broke thru for 1 run when Tuttle reached first on McNicols error, Schmaedeke singled and when W. Keuch walked the bases were loaded. Cure then made a perfect squeeze bunt to score Tuttle. Chaney then retired Lee and N. Keuch without further scoring. In the 6th the Busch M once again demonstrated their in the pinches when with on Keuch tripled but was n plate on an attempted. Chaney then developed a and walked Lee and N. Keuch. row. Ludwig then came thru with, double to left center to clear the bases. Ludwig scored on Engnells error. In the 8th an Oak Lawn threat was stopped when Engnell got to second on a hit and an error. Bill Walsh then hit one out to deep left, Doogan after the catch, caught Engnell going into 3rd with a perfect throw.

Going into the 9th with a 5 run lead Ludwig eased up, and Oak Lawn scor twice when Ulatoski singled. De Witt got his fourth hit, a triple and Bergeson singled.

FAREWELL PARTY

A farewell dinner was given Sunday after church service by the Ladies Aid of St. Paul's Lutheran church of Sedan Prairie honoring Rev. F. L. Treskow and Mr. and Mrs. Albert Urbach and family who have recently moved to Delton.

Rev. Treskow was presented with a gift of money and Mrs. Urbach, who is president of the Ladies Aid, was presented with a pantry shower.

The afternoon was spent socially. Later a 5 o'clock supper was served. The committee in charge were Mrs. Hilbert Meyer, Mrs. John Blume and Mrs. Edward Kampe.

From where I sit... /y Joe Marsh.

Pampered Farmers

If the folks in our town were less tolerant, they'd be really burned up over that nationally circulated article on "pampered farmers," describing them as living off the fat of the land.

From where I sit the farmer is anything but "pampered." If he's better off today than twenty years ago it's because he's worked hard to improve the quality and quantity of his production.

Take Bert Childers, for example. Bert is up at four in the morning, to get the milking finished—and

ploughing or harvesting, depending on the season, until sundown. In the evening he finally relaxes with the missus over a moderate glass of beer.

And the farmer today's not only temperate in his habits, like Bert's evening glass of beer... but tolerant in his opinions. So he'll probably say of that article, "somebody got the facts wrong," and just let it go at that.
